

Used gliders market and show 2014

FERRARA - Italy
1-2 November 2014

Used gliders market and show 2014

- The **AERO CLUB VOLOVELISTICO FERRARESE** organizes the first market for used gliders, during this two days event it is possible to show used gliders and planes to sell. It is open also to accessories, parachutes, instruments, etc.
- Free entry to everyone.
- On the gliders for sale it will be shown a sign (to be made by its owner) with year of construction, flying hours, number of take offs, if it can fly and (if wanted) its price.
- The gliders will be exposed on the side of the landing strip according the instruction of the organizer.
- Tow planes are available for eventual tests.
- For the sellers, it is suggested to inform the organizer of the event as soon as possible in order to promote it through the web.

IMPORTANT- Technical staff from a certified aeronautical workshop will be on site.

Entry should be made to gpmagri@libero.it, open until last moment.
